# Minnesota House of Representatives

April 8, 2010

To Whom It May Concern,

I am proud to announce that I am supporting Randy Demmer in this year's First District Congressional race.

Randy and I were both elected to the Minnesota House of Representatives in the 2002 election. We have worked together to correct a \$4.5 billion state budget deficit, fight against tax increases, and do away with the "Profiles of Learning," while putting rigorous education standards in place. We've carried and supported legislation designed to benefit our men and women in the military.

As a champion of second amendment rights, and as a hunting and fishing enthusiast, I have appreciated Randy's help in passing legislation such as "Conceal and Carry." I know he will be a great congressman for us, and will represent the principals and values of the people of Southern Minnesota.

Please vote for Randy Demmer as our next congressman from the First District. He is a conservative Republican who has earned my trust and respect. We need people like him in Washington to help keep our nation strong and free.

Sincerely,

Tony Cornish  
State Representative  
District 24B

Paid for by Demmer for Congress.
