April 8, 2010

Delegates to the First District Convention,

I am proud to announce my support for Randy Demmer as our next Congressman from Minnesota's First District.

I have served side by side with Randy at the Capitol as he has fought and defended our conservative values and principles. I can tell you that based on what I have seen, he is the best man for the job. He is a tireless worker, but is also very thoughtful and deliberate in his approach. He has risen to a leadership position within our Caucus because we all value his experience and insights, and depend upon him as a strong member of our Republican team.

We need to return strong conservative leadership to Washington, D.C., and Randy will do an excellent job on our behalf. The strengths he has shown in constituent service, principled leadership, and depth of character are in short supply in our nation's capitol, and we need more people like Randy to stand up and be willing to serve.

Please join me in supporting Randy Demmer for the Republican endorsement at the District Convention in Mankato.

Sincerely,

A handwritten signature in cursive script that reads "Greg Davids".

Greg Davids
State Representative
District 31B

Paid for by Demmer for Congress.
