Dear Delegates,

Randy Demmer is the person I have chosen to support as our next Congressman from the First District. He is thoughtful, smart, and energetic, and will represent us in Washington with integrity and honesty.

I watched Randy come to the state legislature as a freshman in 2003 and knew he would be a valuable member of our Republican team. His experience as a businessman and farmer bring a perspective of common sense and understanding that is badly needed at all levels of government. He understands the importance of an economy that is based on private sector jobs and business growth. His conservative values and devotion to his family and friends are qualities that I admire.

Randy will be my kind of Congressman. He listens and is respectful. I want someone representing me in Washington that can relate to me as a lifelong resident of Southern Minnesota. Randy is that person. Please join me in supporting him as our next Congressman from the First District in Minnesota.

Sincerely,

Bob Gunther
State Representative
District 24A

Paid for by Demmer for Congress.
