To Whom It May Concern:

I am pleased to announce that I am again endorsing Randy Demmer's candidacy for Minnesota's First Congressional District in the United States House of Representatives.

Randy and I were both elected to the Minnesota House of Representatives in 2002, and I've found him to be an energetic and dedicated lawmaker who fights tirelessly for the needs of his district. I have no doubts that he will bring that same passion to Washington as our next First District Congressman.

Randy has strong conservative values and understands the needs of southern Minnesota. He has always advocated for job creation, fiscal responsibility, family values, and agricultural growth at the State Capitol, and will continue to do so in Congress.

Throughout the years, Randy Demmer has been recognized as a leader in his community, in his state legislative district, and he is also currently serving as Assistant Minority Leader for the House Republican Caucus. I believe these leadership characteristics will serve him well in Washington, D.C., and I strongly support his candidacy to represent us in the First Congressional District.

Sincerely,

A handwritten signature in black ink, appearing to read "Doug Magnus".
