Senate

State of Minnesota

April 8, 2010

Dear Delegates and Alternates,

I am writing today to share with you my endorsement of Randy Demmer as Congressman for Minnesota's First District.

Though I have only served with Randy a short time in the Minnesota Senate, I have found him to be a strong and thoughtful leader who works hard day in and day out on behalf of his constituents. When I was running, Randy offered strong words of encouragement on my behalf, and even took the time to come up and help me door-knock and meet with voters. I am thankful for his efforts on my behalf.

His strong dedication to our Republican principles and values and his commitment to working together with colleagues from across the state have earned him the respect of colleagues in both the House and the Senate. Serving in very difficult minority position in the Senate, we rely on our House colleagues for support and to sustain the Governor's vetoes, and Randy has always been there when it has mattered most. His record is as solid now as when he was first elected.

The people in Randy's district are lucky to have enjoyed such dedicated representation for the last eight years. Now, in his bid for Congress, the First District will soon benefit from his broad experience, strong work ethic, and commitment to conservative values. I hope you will join me in supporting Randy Demmer as the next Congressman from Minnesota's First District.

Sincerely,
